

A photograph of a forest path in autumn. The path is covered in fallen leaves and leads into a dense forest of tall trees with vibrant orange and yellow foliage. Sunlight filters through the trees, creating a warm, golden glow. The text is overlaid on the left side of the image.

# THANK YOU LORD!

*“Let there be  
thanksgiving...  
live as children  
of light”*

EPHESIANS 5:4C, 8C

# As we journey through the autumn of this year, let us give thanks.

Thanksgiving to God is a powerful act of worship enabling God's healing to our soul. It acknowledges our reliance upon God's sovereignty and sufficiency to meet every need in every situation. Thanksgiving reorients our focus and defeats the destroyers of our joy. No wonder the great physician commands "**give thanks in everything.**"

Capitol Commission thanks God for you! Your partnership to reach legislators and staff is essential and so much appreciated. You are a blessing!

On behalf of our entire team, we thank God for the privilege to serve Jesus with you!

Dr. Brad Harbaugh, President  
Capitol Commission
